### SCHOOL NEWS AND ANNOUNCEMENTS:

#### June's Students of the Month are :

Upstairs- **Tyler G.**-Tyler continues to put his best foot forward each day and presents himself as a strong role model for his peers. He knows how to keep things fun with his unique sense of humor and has done a great job of building on relationships and showing his creativity both in and out of the classroom.

Downstairs- **Frank K.** Frank goes above and beyond in all he does. He has shown growth in dealing with failure and continues to grow academically as well. Frank also demonstrates a positive attitude towards staff and has excellent attendance.

**CONGRATS!!!**

## HIGH SCHOOL NEWS

### High School

**U.S. Government:** During this week, we discussed how America began to grow after earning their freedom from Great Britain. We talked about the difference between the Land Ordinance of 1785 and the Northwest Ordinance of 1787. Students also played a game in which they learned about what early colonists thought about the first government of the United States.

**PLP/ Credit Recovery:** Students continued working on their Personal Learning Plans. They also had a lesson on plagiarism. Several students created math calendars this week, using equations as the date.

**FACS:** This week students learned about child development. They completed an internet scavenger hunt to learn more about development stages. They learned about the main emotions a baby has and what would cause those feelings. Students also cared for their own egg baby, keeping it safe for the day.

## MIDDLE SCHOOL HAPPENINGS IN MS. KAYLA'S CLASS

### Ms. Kayla's Class

This week, we learned about major local and national disasters. We created a google slide and presented it to the class.(ELA/ Social Studies) We learned how weather forms. (Science) We practiced making line graphs of the average daily temperature in June. (Math)

### Ms. Amber's Class

In ELA, we are reviewing different types of nouns and how to correctly use them in our writing. In Math, we are reviewing how to subtract with regrouping of whole numbers. In Science, we are learning about the difference between climate and weather and researching both in our area. In Social Studies, we are learning about the Wild West and famous outlaws and lawmen during that time.

## MORE DOWNSTAIRS CLASSROOM NEWS, LEARNING AND ACTIVITIES

### Ms. Jessica's Class

This week, our focus is on Amusement Parks! We used menus to calculate change from amusement park snacks, read books about roller coasters, used recyclable materials to build our own roller coaster, and mapped amusement parks to practice using coordinate planes. We had so much fun!

### Ms. Colleen's Class

**For Life Skills,** we read an article called "Celebrating National Parks" and answered comprehension questions. We also worked on menu math for foods that may be found at an amusement park.

**For Academic Skills,** we completed a science experiment answering the question, "Which way does water flow?" We also made our own maps of campsites and amusement parks.

**For Social Skills,** we played Sweets and Snacks BINGO. We also played games with friends and practiced our leisure skills inside due to rain.

**Our Character Education Word of the Month** is Integrity, which is acting in a way you know to be right and kind in all situations.

### Mr. Alfonzo's Fitness : Fitness for the Month of July

This month is **kid's choice** and continuing to work on **cooperative play**.

## **THERAPEUTIC DEPARTMENT**

### **Psychosocial Groups:**

This month students will be focusing on the topic of sportsmanship! By the end of this month, students will be able to explain ways to show good sportsmanship, describe why sportsmanship is important, and identify good and poor sportsmanship in situations. The students will be able to offer guidance to each other when playing games or interacting together. As always, students who exhibit leadership skills throughout the month will attend the leadership party! The next party will be celebrated on Wednesday, July 21, 2021 with pizza and snacks.

### **Therapeutic Program Contact Information:**

Please contact the Therapeutic Program with questions or concerns. The School Counselor, Krista Reese, can be contacted at [kreese@theleadschool.com](mailto:kreese@theleadschool.com) or phone at 636-447-5100 x 103. Information from home helps us to be able to meet the needs of your student more proactively and effectively. Some things that are helpful to receive updates about: sleeping difficulties, any recent loss or trauma, any lengthy absences of parents or Guardians, medication changes or has encountered any other type of significant obstacle outside of school.

## **REMINDERS AND IMPORTANT SCHOOL POLICIES**

### **Emergency Contacts:**

If the phone numbers for any of your child's emergency contacts change during the school year, please notify the school office immediately so we have up to date contacts in the event of an emergency or early release due to inclement weather.

### **Canceling Transportation:**

Please remember that if your child will be absent from school, or if you will be bringing your child to, or picking him or her up from school, be sure to call your transportation company to let them know your child will not need a ride.

### **Morning Arrival**

If you need to drop off your child at school in the morning, please note that our doors open at 8:45 am. Students should wait in their vehicle until greeter and directed to the check-in line.

**Breakfast** is served daily until 9:10.

### **Beverages:**

All beverage containers must contain the original beverage and should not be opened before entering the building. Students may bring an empty water bottle, which they can fill from the school's drinking fountain. *Glass containers of any kind are not permitted.*

**Thursday, July 22, 2021**

**10am - 12pm**

**The Lead School**

**Snow cones will also be available!**

**Donations are appreciated and will be used to  
purchase items for our  
Family and Consumer Science Class.**

**Thank you!!!**
